How to get a Canadian Passport in one day. Abbreviated Version.

- If it is during regular Passport office hours call your closest passport office and tell them you require a passport within one day.

- If it is after hours or the weekend for the Passport office call Foreign Affairs Canada at 1 800 267-6788 or (613) 944-6788 if you are in Canada or go to <http://www.voyage.gc.ca/main/sos/emergencies-en.asp> or email [sos@international.gc.ca](mailto:sos@international.gc.ca).

- They will call you back within an hour usually.

- They will call a duty officer in the city where you live. Usually only in large Canadian cities.

- The duty officer will call you and arrange to meet you at a Canadian passport office. I suggest you get a contact number from the duty officer in case there is a problem.

- You will need to fill out form PPTC 044 and bring the standard requirements for a passport. There is absolutely no leniency because you need to get a passport in one day. If your passport has been lost or stolen you will need to complete form PPTC 203

- The process takes about 2 hours and costs about \$300.00 but you will have a passport. Long Version
